

REFUGEE AND IMMIGRANT RELIEF CENTER

SPONSORSHIP OPPORTUNITIES

A CRY FOR HELP

Among the 31.7 million people of "concern" to UNHCR, 10.7 million or more than 30% are in Africa. Among this total, nearly 2.5 million are refugees. While the United States responds to their needs in many ways, nearly all of them have no means of support when they arrive in this country and they need help from the communities.

OUR MISSION

To provide social and educational services to meet the needs of persons who seek to enhance their self-sufficiency. Please help us to help them settle into our community and our country.
